

Mindset Maps International Partners

Germany

diedenkweisen GmbH, founded in 2006 by Romina and Gary Schell, is specialized in the field of personal development and facilitates the wide range of NLP course levels including NLP Practitioner, Master Practitioner, Master Trainer, Master Coach and Hypnosis. In 2021 they became the Partner Institute for MindsetMaps International in Germany. diedenkweisen provide MindsetMaps faculties and implement this interactive coaching tool in the business world, especially for team processes.

Romina's and Gary's focus is to help people living their lives to the fullest, discover and change their mindset to individually defined success goals, freedom and happiness. Their aim for the business world is helping to build sustainable businesses and pursue a higher purpose, so that people love being at their workplace and feel useful and appreciated.
